INTRODUCTION

Milestone Foundation is a dedicated nonprofit organization based in Raipur, committed to driving positive social change through education, skill development, and community welfare programs. Established with a vision to empower underprivileged communities, the foundation works relentlessly to uplift marginalized groups by providing essential resources, training, and support.

Our initiatives focus on **women empowerment, child education, healthcare, rural development, and livelihood generation**, ensuring sustainable progress for those in need. Through strategic collaborations, volunteer engagement, and innovative approaches, Milestone Foundation continues to create a lasting impact on society.

PRIMARY GOALS

Milestone Foundation Raipur is dedicated to uplifting underprivileged communities through education, skill development, and social empowerment. Our primary goals include providing quality education to disadvantaged children, supporting women through vocational training, and promoting healthcare initiatives for marginalized groups. We focus on environmental sustainability, rural development, and livelihood programs to create long-term impact. By fostering self-reliance, we empower individuals to build a better future. Our mission is to bridge societal gaps through awareness, advocacy, and community-driven solutions. With a commitment to transparency and inclusivity, we strive to make a meaningful difference in the lives of those in need.

NOTICE

MILESTONE FOUNDATION is committed to improving the lives of individuals and communities, especially those affected by kidney disease and other health challenges, in marginalized and underserved areas. Our primary focus is on providing essential healthcare services, raising awareness about kidney disease, and offering sustainable solutions to enhance the quality of life for those in need. Through our initiatives, including healthcare programs, skill development workshops, and educational opportunities for both children and adults, we aim to empower individuals and create long-lasting positive change. We collaborate with local governments, healthcare providers, and community-based organizations to drive impactful projects that focus on resilience, equity, and improving living conditions. MILESTONE FOUNDATION is dedicated to ensuring a better and healthier future for all, especially those facing the burden of kidney-related health issues.

ABOUT US

Milestone Foundation Raipur is a dedicated non-profit organization committed to empowering communities through education, skill development, and social welfare initiatives. Our mission is to uplift underprivileged individuals by providing access to quality education, vocational training, healthcare support, and livelihood opportunities. With a strong focus on women empowerment, youth development, and rural progress, we work towards creating a self-reliant society. Our initiatives include educational sponsorships, job-oriented training, environmental awareness, and legal assistance for marginalized communities. Driven by a passion for social change, Milestone Foundation collaborates with various stakeholders to maximize impact. We believe in inclusivity, sustainability, and long-term transformation to build a better future for all. Together, we strive to make a meaningful difference in society.

MESSAGE FROM THE DIRECTOR

As we reflect on another impactful year at **Milestone Foundation, Raipur**, I am filled with immense gratitude for the dedication of our team, the unwavering support of our partners, and the trust of the communities we serve. Each milestone we achieve is a testament to the collective effort of individuals who believe in our mission of **empowering lives, fostering education, and driving sustainable development**.

This year, we have expanded our initiatives in **women empowerment, skill development, education, healthcare, and rural upliftment**, reaching even more individuals in need. Through our various programs, we have witnessed stories of resilience, hope, and transformation, reinforcing our commitment to creating a more inclusive and equitable society.

Despite the challenges, our determination remains strong. We will continue to work tirelessly to bring meaningful change and ensure that every person, regardless of their background, has access to opportunities for growth and self-reliance.

I extend my heartfelt appreciation to our donors, volunteers, and well-wishers for their invaluable contributions. Your support fuels our vision and strengthens our resolve to build a brighter future for all.

Together, let us continue this journey of positive impact and change.

With gratitude,

Ziya ul haque

president, **Milestone Foundation, Raipur**

CORE VALUE

Milestone Foundation Raipur is committed to creating a positive social impact through its dedication to **empowerment, integrity, inclusivity, and sustainability.**

1. Empowerment - We believe in empowering underprivileged communities, especially women and children, by providing education, skill development, and employment opportunities.

2. Integrity - Transparency, honesty, and accountability are at the heart of our work. We ensure ethical practices in all our initiatives.

3. Inclusivity - We embrace diversity and work towards social equality by supporting marginalized sections of society, irrespective of caste, religion, or gender.

4. Sustainability - Our efforts focus on long-term impact, promoting environmental conservation, rural development, and self-reliant communities.

5. Compassion and Service - We are driven by a strong sense of social responsibility, ensuring every action contributes to a better future for society.

EDUCATION AND LITERACY PROGRAMS

Milestone Foundation Raipur is committed to fostering education and literacy among underprivileged communities. Our mission is to bridge the educational gap and empower individuals through knowledge, skill development, and accessible learning opportunities.

Key Initiatives:

1. Basic Literacy Campaigns:

We conduct regular literacy programs for children and adults who have never attended school or dropped out due to financial constraints.

2. Free Education for Underprivileged Children:

Our foundation provides free educational resources, including books, stationery, and school supplies, to ensure every child gets a fair chance at learning.

3. Skill Development & Vocational Training:

Alongside traditional education, we offer vocational courses in tailoring, computer literacy, and other job-oriented skills to help individuals secure employment.

4. Evening & Weekend Learning Centers:

For students who cannot attend school during the day, we run evening and weekend classes to help them continue their education.

5. Women's Literacy & Empowerment:

Special literacy programs are designed for women to help them gain financial independence through education and skill development.

1.Digital Education & Computer Training:

Recognizing the importance of digital literacy, we provide computer training programs to equip students with essential technological skills.

2.Scholarship & Financial Assistance:

We support meritorious students from economically weaker backgrounds by offering scholarships and financial aid for higher education.

At Milestone Foundation Raipur, we believe that education is the foundation of a brighter future. Through our efforts, we strive to create an inclusive and educated society where learning is accessible to all.

SKILL DEVELOPMENT AND TRAINING

Milestone Foundation Raipur is dedicated to empowering individuals through **skill development and training programs** that enhance employability and self-reliance. Our initiatives focus on providing practical knowledge and hands-on experience to help individuals secure better job opportunities and build sustainable livelihoods.

Our Focus Areas

- 1. Vocational Training** - We offer courses in tailoring, beautician training, computer literacy, and other vocational skills to equip individuals with industry-relevant expertise.
- 2. Entrepreneurship Development** - Our programs encourage self-employment by training individuals in small business management, digital marketing, and financial literacy.
- 3. Technical Skills** - We provide training in coding, software development, and hardware maintenance, preparing youth for careers in the IT sector.
- 4. Soft Skills & Communication** - Personality development, communication skills, and workplace ethics are integrated into our training modules to ensure overall professional growth.
- 5. Livelihood Support** - Our courses in agriculture, handicrafts, and rural-based industries help individuals develop skills that align with local employment opportunities.

- **Increased Employability** – Our training programs bridge the gap between education and industry requirements, helping individuals secure stable jobs.
- **Women Empowerment** – Special initiatives focus on training women in tailoring, handicrafts, and beauty care, enabling them to earn independently.
- **Digital Literacy** – We provide basic and advanced computer courses, ensuring digital inclusion in today's technology-driven world.
- **Self-Sufficiency** – Many beneficiaries start their own businesses, contributing to economic growth and financial independence.

RURAL DEVELOPMENT PROJECTS

Milestone Foundation Raipur is dedicated to transforming rural communities by implementing sustainable development projects that enhance the quality of life for underprivileged populations. Our rural development initiatives focus on various sectors, including education, healthcare, women empowerment, agriculture, and livelihood generation. Through these efforts, we aim to create self-reliant villages with improved socio-economic conditions.

1. Education and Literacy Programs

One of our primary goals is to provide quality education in rural areas where access to schools and learning resources is limited. We establish community learning centers, provide scholarships for underprivileged children, and conduct adult literacy programs. Our mobile education initiatives ensure that even the most remote villages receive learning opportunities.

2. Women Empowerment and Skill Development

Empowering women is a crucial aspect of rural development. We organize tailoring, handicraft, and beautician training programs to equip women with skills that enable them to become financially independent. Additionally, we support self-help groups (SHGs) and provide micro-financing opportunities to encourage entrepreneurship among rural women.

Healthcare and Sanitation

We conduct free health camps, distribute essential medicines, and promote awareness about hygiene and sanitation practices. Our initiatives include installing clean drinking water facilities and constructing sanitation units in villages to improve public health.

4. Agricultural and Livelihood Support

Supporting farmers and rural workers is essential for economic stability in villages. We provide modern farming techniques, organic farming training, and financial assistance to small-scale farmers. Additionally, we promote sustainable agriculture and encourage rural entrepreneurship by helping farmers sell their products through cooperative models.

5. Rural Infrastructure Development

Infrastructure plays a crucial role in rural progress. We work on improving roads, building community centers, and ensuring access to electricity and clean water. Our solar energy initiatives help bring power to villages with limited access to electricity, contributing to sustainable rural development.

6. Digital Inclusion and Technology Access

Bridging the digital divide is essential in today's world. We introduce digital literacy programs, set up community computer centers, and train youth in basic IT skills to enhance their employment opportunities.

Milestone Foundation Raipur is committed to fostering sustainable development in rural communities. Through strategic interventions, partnerships, and grassroots initiatives, we strive to create self-sufficient villages that thrive with economic and social prosperity.

SOCIAL WELFARE AND COMMUNITY DEVELOPMENT

Milestone Foundation Raipur is dedicated to promoting social welfare and community development through various initiatives focused on education, literacy, and empowerment. With a strong commitment to uplifting marginalized communities, the foundation actively works towards creating a more inclusive and self-sustaining society.

Education and Literacy Programs

One of the primary objectives of Milestone Foundation Raipur is to enhance education and literacy levels, particularly among underprivileged children and adults. The foundation organizes free educational programs, skill development workshops, and awareness campaigns to encourage lifelong learning. By providing necessary resources such as books, study materials, and digital tools, the foundation ensures that education reaches even the most remote areas.

The foundation strongly believes in empowering women through education and skill training. Various vocational training programs, including tailoring, handicrafts, and computer literacy, are conducted to enhance women's economic independence. These initiatives not only provide employment opportunities but also boost self-confidence and societal recognition for women.

Healthcare and Community Well-being

Milestone Foundation Raipur is actively involved in healthcare support for underprivileged communities. Free medical check-up camps, awareness sessions on hygiene and nutrition, and assistance for critical medical cases are regularly provided. The foundation collaborates with healthcare professionals to ensure access to essential medical services, especially for children, elderly individuals, and people with disabilities.

Rural Development and Livelihood Programs

Understanding the importance of sustainable rural development, the foundation works on various projects aimed at improving the living conditions of rural populations. These include agricultural training, self-employment opportunities, and financial literacy programs. By promoting organic farming and eco-friendly practices, the foundation encourages sustainable growth within rural communities.

Support for the Underprivileged

The foundation envisions a society where every individual has equal opportunities for growth and development. By collaborating with government bodies, NGOs, and private organizations, Milestone Foundation Raipur aims to expand its reach and impact in the coming years.

Through its dedicated efforts in social welfare and community development, Milestone Foundation Raipur continues to make a meaningful difference in the lives of countless individuals, fostering a brighter and more equitable future for all.

HEALTHCARE AND MEDICAL ASSISTANCE

Milestone Foundation Raipur is committed to improving healthcare accessibility and providing medical assistance to underprivileged communities. Recognizing the importance of health as a fundamental human right, the foundation actively works to ensure that quality medical care reaches those in need, particularly in rural and economically weaker sections of society.

Healthcare Initiatives

The foundation undertakes various healthcare initiatives, including free medical camps, preventive healthcare awareness programs, and emergency medical aid. Through these efforts, it aims to bridge the gap between healthcare facilities and marginalized populations who often lack access to basic medical services.

1. Free Medical Camps

Milestone Foundation organizes regular medical camps in remote villages and urban slums where healthcare facilities are scarce. These camps provide free check-ups, consultations, and medicines to those who cannot afford medical expenses. Specialized doctors, nurses, and volunteers participate in these camps, offering services in general medicine, pediatrics, gynecology, and dermatology.

•**Preventive Healthcare Awareness**

Prevention is key to a healthy society. The foundation conducts awareness campaigns on hygiene, sanitation, nutrition, and lifestyle diseases such as diabetes, hypertension, and heart ailments. These programs educate communities about the importance of early diagnosis, vaccination, and adopting healthier habits to prevent chronic illnesses.

•**Emergency Medical Assistance**

In critical situations, Milestone Foundation extends support by facilitating emergency medical aid, ambulance services, and financial assistance for life-saving treatments. The foundation collaborates with hospitals, clinics, and government agencies to ensure patients receive immediate and necessary care without financial constraints.

•The foundation places a strong emphasis on maternal and child health. It provides prenatal and postnatal care, ensuring safe deliveries and proper immunization for newborns. Special programs focus on addressing malnutrition in children and promoting breastfeeding awareness among new mothers.

•**Support for Critical Illness Patients**

Milestone Foundation also assists individuals suffering from critical illnesses such as cancer, kidney failure, and heart diseases by connecting them with charitable hospitals and funding their treatments through donations and sponsorship programs.

WOMEN EMPOWERMENT INITIATIVES

Milestone Foundation Raipur is committed to empowering women by providing them with the necessary skills, education, and resources to lead independent and dignified lives. The foundation believes that women's empowerment is crucial for social and economic development, and it actively works towards creating opportunities for women from marginalized communities.

Skill Development Programs

One of the key initiatives of Milestone Foundation Raipur is skill development. The foundation organizes training programs in tailoring, beautician courses, handicrafts, and other vocational skills to help women become self-reliant. By equipping them with practical skills, the foundation enables women to start their own businesses or secure stable employment, thus promoting financial independence.

Education for Women and Girls

Education plays a vital role in empowering women. The foundation runs awareness campaigns and literacy programs for girls and women who have been deprived of formal education. By providing access to quality education, scholarships, and learning materials, the foundation helps them build a brighter future and break free from the cycle of poverty.

Milestone Foundation Raipur also focuses on educating women about their legal rights. It conducts workshops and seminars on issues such as domestic violence, gender discrimination, and property rights. Through legal aid services, women facing challenges can seek support and guidance to fight for justice and equality.

Entrepreneurship and Financial Inclusion

To promote economic independence, the foundation supports women entrepreneurs by offering guidance on small business development, financial literacy, and microfinance opportunities. It collaborates with financial institutions to help women access loans and funding for their businesses. This initiative encourages women to become self-sustained and contribute to the economy.

Health and Wellness Programs

The foundation conducts health camps, awareness drives, and counseling sessions focusing on women's health issues, including maternal care, menstrual hygiene, and nutrition. By providing access to healthcare services and spreading awareness about well-being, Milestone Foundation Raipur ensures that women can lead healthier lives.

Community Support and Leadership Development

Milestone Foundation Raipur actively encourages women to take leadership roles in their communities. By organizing self-help groups and leadership training programs, the foundation empowers women to voice their concerns, participate in decision-making, and drive social change.

Through these initiatives, Milestone Foundation Raipur is transforming lives and creating a more inclusive and equitable society where women can thrive with dignity and confidence.

DIGITAL LITERACY AND COMPUTER EDUCATION

In today's fast-paced digital world, technology plays a crucial role in almost every aspect of life.

Recognizing the importance of digital literacy, **Milestone Foundation Raipur** has taken significant steps to empower individuals with essential computer skills. Our **Digital Literacy and Computer Education** program aims to bridge the digital divide and create opportunities for people from all backgrounds, especially those from underprivileged communities.

Our Mission

Our primary goal is to provide **accessible and affordable computer education** to students, women, and job seekers. We believe that digital literacy is a key factor in **employment, education, and overall societal progress**. By equipping individuals with necessary technological skills, we help them improve their career prospects and enhance their daily lives.
